THANKS TO...

For this month's shoot the team stayed in the Aosta Valley resort of Champoluc – a traditional village boasting Italian alpine charm and spectacular mountain views. The resort is part of the acclaimed Monterosa ski area, with dramatic vistas of the Matterhorn and Monterosa peaks and fabulous slopes to suit all levels – from wide cruisers above Champoluc to off-piste and heliskiing from Gressoney. The village has several shops, bars and restaurants, and many small hotels in the village centre or in the nearby surrounding woodland. For more information visit www.aosta-valley.co.uk.

Ski 2 (01962 713330; www.ski-2.com) specialises in the Italian resort of Champoluc, offering short breaks and seven-night holidays, arriving on any day of the week, for any duration. With its own British ski school and British-staffed nursery, Ski 2 offers an excellent holiday solution for families, while expert skiers will love the easily accessible and world-renowned off-piste in the Monterosa ski area.
